

Our Function Rooms

We have a wonderful snug, lounge and club room that we use for dining and functions (as well as for the Tuesday Night quiz and Wednesday night Folk Club), and this is where we host our Christmas parties. Depending on numbers, you can ask for the whole side of the pub to yourselves – no need to worry about sharing with strangers!

We can cater for up to 60 people sitting down or up to 120 in “buffet” style. We can also project your digital images and play your own music if you bring an iPod.
