- We usually make the lounge room and patio area available for your sole use, along with the marquee if required. There is no extra charge for this.
- The lounge is not available for hire on **Sunday Lunchtimes** between 12 and 4pm; however the beer garden and patio are available.
- Our beer garden has to close to the public at 11pm sharp, so any evening function must clear these areas by 10.45 to allow us to clear up. Functions can continue inside the pub until closing time.
